The Australian Taxation Office has allowed provision for organisations with income below the ceiling amount of \$50,000, to be exempt from having an ABN number. As such the Western Safety Group has not filed for an ABN. The Group as a non-profit organisation is not issuing Tax Invoices, as we are not paying GST to the ATO. For the few expenses the Group may incur we will pay the GST but not claim it back, as would most businesses. In order to simplify the administration of the Group we ask for your cooperation in not insisting on a Tax Invoice or an ABN.
